AquaSummit 2025

Sponsorship for the offshore hydrogen event of the year

Dear member,

On **October 1, 2025**, the AquaSummit invites you to Hamburg - the maritime metropolis that stands for the combination of tradition and innovation like no other city and forms the gateway to the North Sea. As the offshore hydrogen event of the year, the AquaSummit once again offers the unique opportunity for active partnership and collaboration.

Let your company fly the flag as a strong partner on the AquaVentus mission and take center stage. Use the AquaSummit as a stage to present your innovation potential in a targeted manner. Your support of the event is the calling card for around 100 participants from business, politics and research.

Your business - your branding - your spotlight

Show that you are a pioneer in the realization of offshore hydrogen production. This visibility actively generates exchange with stakeholders from business, politics and research.

Your company - your commitment - your credibility

Your company is ready to go beyond the norm and push the hydrogen boundaries towards offshore. Let your company be in the spotlight as a pioneer of the energy transition and the ramp-up of the offshore hydrogen economy.

Pioneer Circle

Cast off, you're **setting sail on a great journey**

📢 **In the spotlight at the AquaSummit:**

- Company logo on handout, roll-up, and screens
